### EMPLOYMENT OPPORTUNITY

The Yellowknives Dene First Nation (YKDFN) is governed by a Chief and Council which has offices in Dettah and Ndilo. The YKDFN Chiefs and Council affirm our sacred obligation to serve our people and our commitment to live balanced contemporary lifestyles with culture and traditions important to our community, to speak our traditional language, and to protect our natural resources and treaty rights. For Chiefs and Council to lead the YKDFN requires having qualified personnel to achieve a prosperous future for our citizens. The incumbent works within this context to provide effective and efficient level of support and assistance.

#### Director of Environment

Under the authority of the YKDFN Government Chiefs and Council and under the direct supervision of the Chief Executive Officer (CEO), the Director is responsible for effective operation of the YKDFN Environment division.

The Director of Environment will manage and provide effective and efficient operation in areas of natural resources, regulatory, and environment monitoring for all aspects of the YKDFN Environment Division. The position will also be responsible to lead the YKDFN Strategic Plans pertaining to environmental management.

#### **Typically, the above qualifications would be attained by:**

- Post-Secondary Diploma or Degree in Environmental Science, Resource Management or a related field with five (5) years' work experience; or
- Equivalent combination of education and/or related course work with seven (7) years related work experience.
- Valid Class '5' Driver's License and own personal vehicle.
