

Position:
Occupational Therapist

Location:
Délne, NT

Employment Type:
2-Year Term

Department:
Education

Closing Date:
Open Until Filled

Compensation:
\$83,720.00/year – \$89,180.00/year

The Délne Got'ne Government is seeking an Occupational Therapist to provide assessment, therapy, and support for children and youth with high support needs. Reporting to the Director of Education, this role works with families, educators, and community partners to help children develop the skills needed for success at school, at home, and in the community.

Key Responsibilities:

- Assess children and youth, developing individualized therapy and support plans.
- Provide occupational therapy services while working with families, educators, and community partners.
- Maintain client records, prepare reports, and coordinate referrals and services.

Qualifications:

- Bachelor's degree in Occupational Therapy and eligibility for Canadian registration/licensure
- Experience working with children and youth; Indigenous or community-based experience, strong communication, organizational, and collaboration skills.

Working Conditions:

Position involves flexible hours, including evenings and weekends, in a busy recreation environment. Strong organizational skills, teamwork, and the ability to manage multiple activities are essential.

Additional Requirements:

- A Criminal Record Check and Vulnerable Sector Check must be provided.

Northern Allowance, Health Benefits. Relocation support may be offered to the successful candidate and other employee-related benefits.

Submit Cover Letter and Resume to:

Human Resources Department
