

Position:
Speech Language Pathologist

Location:
Délne, NT

Employment Type:
2-Year Term

Department:
Education

Closing Date:
Open Until Filled

Compensation:
\$76,440.00/year – \$81,900.00/year

The Délne Got'ine Government is seeking a Speech Language Pathologist. Reporting to the Director of Education, this role works with families, educators, and community partners to help children build communication skills.

Key Responsibilities:

- Assess and provide speech and language therapy, developing individualized support plans for children and youth.
- Collaborate with families, educators, and community partners while providing guidance and communication strategies.
- Maintain client records, prepare reports, and coordinate referrals services.

Qualifications:

- Bachelor's degree in Speech-Language Pathology and eligibility for Canadian registration/licensure.
- Experience working with children and youth; Indigenous or community-based experience is an asset.
- Strong communication, organizational, and collaboration skills.

Working Conditions:

The role requires strong clinical judgment, attention to detail, collaboration with families and professionals, and the ability to manage multiple client needs while maintaining confidentiality.

Additional Requirements:

- A Criminal Record Check and Vulnerable Sector Check must be provided.

Northern Allowance, Health Benefits. Relocation support may be offered to the successful candidate and other employee-related benefits.
